To The Secretary to the ~~Government of Madras~~,

Board of Revenue, Madras. ~~Department.~~

Sir,

In this office proceedings, R. Dis. 5127/32 dated 21-8-1933 an extent of 1.55 acres subdivided as S. No. 108/B-2 of Ajjipuram village, Kollegal Taluk was alienated in favour of the Taluk Board, Kollegal, for use as the site of a weekly market. ~~xxx~~ In District Board Resolution No. 592 dated 10-8-36 the District Board, Coimbator intimated that the market was closed, that the site was no longer required for the purpose for which it was alienated and that it might be resumed. The alienation was subject t payment of assessment on the site, of tree value of Rs. 69-3-0 (being one-fourth of the ordinary tree value--a concession applicable to hilly tracts), and the preservation

of 13 sandalwood trees of the description given in the order sanctioning the alienation. It is reported that the value of the ordinary trees now on the site exceeds that of those found at the time of grant and that no trees were planted after alienation. As regards sandalwood trees, items 7 and 13 in the list shown in the order of grant are found to be missing and their cost is estimated at Rs.4-5-0.

2. The District Board is unable to account for their loss. The President, District Board, Erode, says that the trees were young when the land was alienated to the defunct Taluk Board, Kollegal, and may have escaped the notice of the market lessee and requests that their value viz. Rs.4-5-0 may be ignored and that the full amount of tree value paid originally, viz. Rs.69-3-0 may be refunded to the District Board.

3. It is ascertained on enquiry from the Forest Department that no sandalwood tree was removed or disposed of by it. The District Forest Officer, Kollegal, is of opinion that the District Board should be held responsible for the loss and that the cost of the missing trees should be recovered from it.

4. In the circumstances, I recommend that the original order sanctioning the alienation may be cancelled and the site resumed subject to the refund of tree value of Rs.64-14-0 (Rs.69-3-0 minus Rs.4-5-0) only.

5. Connected records are enclosed.

Sir,

In B.P. Mis. No. 1016 dated 31-3-37, the Board sanctioned the refund of tree value of Rs.64-14-0 to the District Board, Erode. But the amount was not refunded for want of particulars regarding the date and place of credit. A copy of the letter from the President, District Board, dated 9-9-38, explaining the delay in applying for the refund with the required particulars is enclosed. That the order of refund may be renewed under -7.

Copy of the President's letter dated 9-9-38.

Alienation - land - Kollegal Taluk - Ajjipuram - S.No. 108/B.2 Market - Resumption - refund of tree value.

---

The tree value of Rs.69-3-0 has been remitted by the Kollegal Taluk Board in chalan No. 97 dated 2-9-33 at the Kollegal Sub Treasury. Owing to the abolition of Taluk Boards and bifurcation of the District Board, it took some delay in searching for the old records to find out the date of credit. The delay is due to want of information of the date of credit earlier. Hence, I request that sanction of the competent authority may again be kindly obtained and the amount refunded at an early date.

The refund voucher is enclosed duly signed.

Please see the Collector's letter at A/1-2 Cf.

2/. As the Dt. Board does not require the land, it may be resumed.

3/. One of the conditions of alienation agreed to by the alinee was to preserve the 13 sandalwood trees then standing on the land. It is now reported that two of them, (items 7 & 13 in the list at page 90 of ①) valued at Rs 4-8-0, are missing. The Dt. Board cannot account for their loss, but requests that the collection of this amount may be waived. The Dt. Forest Officer, Kollegal, is however of the opinion that the cost of the missing trees should be recovered from the Dt. Board. The Collector agrees with him. [illegible] whether the tree value of Rs 69-3-0 collected from the Taluk Board, Kollegal should be refunded to the ~~Dt.~~ District Board, in full, or [illegible] of the missing

be decided. From the remarks in Col 5 of the
statement at p 90 of of (U) it will be seen
that [item 7 was dead even at the time of
alienation. It is not known why it was made
over to the alienee for preservation. The tree
in item (13) was only a young plant.
in given. It however appears desirable that
the penal clause is enforced and not relaxed

For orders.

The Collr's recommendation
in par. 4 of his letter may be approved.
